

DEHER ZAINAB

Software Developer
UI/UX Engineer
Developer

PROFILE

As a passionate and innovative Computer Engineering student, I am dedicated to solving complex problems and creating seamless, user-friendly applications. I thrive on bringing ideas to life through code, ensuring both functionality and elegance in every project. With a keen interest in software development, I am constantly learning and adapting to new technologies to deliver impactful solutions in the ever-evolving tech landscape.

EXPERIENCE

Web Developer

20XX-PRESENT

Developed and evolved brand identities, crafted compelling collateral, oversaw end-to-end project lifecycles, consistently met tight deadlines, contributed to award-winning projects, and mentored junior designers.

Software Developer

20XX-20XX

Actively participated in the development and evolution of brand identities, was involved in various stages of project lifecycles, and contributed to projects that received awards.

MS Excel, Word and PowerPoint

20XX-20XX

As an intern I actively learned and contributed to the creative process which allowed me to gain valuable insights into the industry and enhance my skills under the guidance of experienced professionals.
